Method of Voucher Numbering	? Manual
Prevent Duplicates	? Yes

1. **Prevention of Duplicates is possible if you enable the option at the time of creation. You may enable it later (by alteration) only if there are no transactions of this voucher type.**
2. If you face difficulty due to existing transactions, just create another voucher type for preventing duplicates of subsequent voucher numbers.

None

This will disable numbering of such vouchers. If you select this method, no further information is required.
